

Project Assistant Position in Image and Data Analysis
Centre for Brain Research (CBR)
An Autonomous Centre of Indian Institute of Science, Bengaluru

There is a position available in image and data analysis under Prof. Uma Ranjan for motivated students interested in developing new algorithms to understand brain disorders. The project involves developing algorithms to integrate multiple types of data using techniques of image processing, explainable AI and transfer learning to arrive at clinically meaningful insights. Students with a B.Tech / M.Tech / M.Sc. (mathematics) with a sound knowledge of programming and interest in a research career are welcome to apply.

Interested candidates should send their detailed CV along with a list of 2 references to Prof. Uma Ranjan (uma@iisc.ac.in). Selected candidates will be called for an interview.

Contact details are provided below.

Prof. Uma Ranjan
